

ABS Student Access Plan

- The Student Access Plan is developed for ABS students with a disability or health condition that impacts their studies.
- The Access Plan identifies additional support in line with the [ABS Student Diversity and Equity Policy](#) and [Procedure](#) to promote equal educational opportunities.
- The plan must be completed by *the Academic Coach ABS in consultation with the student and academic staff.*
- The plan must be signed and accepted by the student in order to be in effect.
